

TEORIA PSICANALÍTICA - 1

Prof. ÁTILA R GONÇALVES

Turma: _____

Data ____ / ____ / ____

Nome: _____

“Desejo é o impulso de recuperar a perda da primeira experiência de satisfação”

Sigmund Freud

Com livre consulta, responda as perguntas abaixo de forma sucinta e objetiva:

- O que são: ID, EGO e SUPEREGO?

O que significam os termos: Consciente, Inconsciente e Pré-Consciente?

[illegible]

This image shows a blank sheet of white paper with horizontal ruling lines. There are seven solid black horizontal lines spaced evenly down the page. Between each pair of adjacent solid lines, there is a dashed black horizontal line centered between them. This pattern of one solid line followed by one dashed line repeats from top to bottom, providing a guide for letter height in handwriting practice. The entire sheet is otherwise empty, with no margins, text, or other markings.
